Regarding the anticipated next steps to the Strategic Planning Event held for staff and Commissioners on November 26, 2024, the Commission directed Director Talmage to follow up with the Nonprofit Network facilitator regarding the expected assessment and strategic goals. Commissioner Gillette expressed disappointment with the survey. She believed a more intentional survey would have been responded to with more thought and depth by the respondents.

Talmage reviewed with the Commissioners the current status of the RAD conversion and the required steps the HUD Recapitalization Team and Federal Consulting have outlined for closing. Talmage then discussed the current status of the 9% LIHTC deals that the

Commission has made commitments, particularly the UPHoldings proposal for a MSHDA recommended Northern Pines Co-ownership. Talmage referred to a blank Memorandum of Understanding with a 4% LIHTC consultant/developer Good Housing Partners. This document outlines the 4% financing tool made available to PHAs for the purpose of updating their RAD properties. Talmage stated he will be speaking with Attorney Todd Van Eck regarding this document.

Talmage informed the Commission that its Property/Liability insurance scheduled to expire February 14, 2025 had been cancelled for the 2025-2026 year, but had been bound over by Decker Agency with Tokio Marine to March 1, 2025. Decker is working with BCHC staff and Housing Authority Insurance Group on the 2025-2026 renewal.

Regarding the Personnel Policy Committee work Talmage made available notes on the current policy by the staff.

The Commission discussed the usefulness of the added Financial Statement Balance Sheets for December 2024 to the packet along with the regularly provided statements.

**Resolution 2025-04 Revised Operation Budget 09/30/2025-
Security Services-City of Battle Creek**

After discussing the background for the proposed Budget Revision, President Simmons suggested due to the size of the increase, \$11,587.00, that no action to revise the budget be made. Commissioner Guzzo pointed out that this is an example of how not having a new Resident Commissioner appointed makes it difficult to call for a vote when a conflict of interest exists. No action was taken.
